

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### **Usage guidelines**

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

## THE GENEALOGY.

---

The first person (of the name of Chase) who emigrated to the United States was William Chase. He came in 1630, bringing with him his wife Mary, and his eldest son William, then a lad about eight years of age.

He first settled in Roxbury (now Boston Highlands) and lived there until 1637. William Chase, 1st was a carpenter by trade, and in the winter of 1637-38, he came with Stephen Bachelor and others, and made a settlement in Yarmouth, Barstable County, Mass. He resided in this latter place until his death in May, 1659. His will is on record in the Old Colony Records at Plymouth, Mass. His widow Mary died in October of the same year. Will bears date, May 4th, 1659. The place of his residence in Yarmouth, was near Stony Cove, and his "farm fence" is designated as a boundary in several deeds and other documents. In his will he mentions only two children, viz, "eldest son William and younger son Benjamin." As the first two books of the records of the town of Yarmouth were burnt many years ago, we are obliged to depend upon this will for the children of William and Mary.

From other sources we learn the dates of the births of Mary (No. 3) and Benjamin (No. 4).

Thus we have the family of William Chase as follows :—

WILLIAM<sup>1</sup> CHASE (No. 1) wife Mary,  
and had

- No. 2. William, b. in England about 1622.
- " 3. Mary, b. — in Yarmouth, Mass., 1637, d. 1652.
- " 4. Benjamin, b. — " " 1639, m. Phillipe Sherman, d. of Philip Sherman, and Sarah (Porter) Sherman of R. I.

In consequence of the loss of the records before named, we cannot give the date of the births of the children of William Chase (No. 2); but from certain deeds and other records, we construct the following family :

WILLIAM<sup>2</sup> CHASE (No. 2) m.  
and had

- No. 5. William m. Hannah Sherman d. of Philip, R. I.
  - " 6. Jacob, m. Mary—
  - " 7. Elizabeth, m. Daniel Baker, May 27, 1674.
  - ✓" 8. John, m. Elizabeth Baker, 1674-5.
- William (No. 2) had probably, 2d wife,  
and had
- " 9. Abraham, m. Elizabeth—
  - " 10. Joseph, m. Sarah Sherman d. of Saripson, Feb. 28, 1693-4
  - " 11. Benjamin, m. Amy Borden d. of John, Sept. 21, 1696.
  - " 12. Samuel, m. Sarah Sherman d. of Samuel, 1699.

This family lived near Herring River, on the east side of Bass River, in Yarmouth, now Dennis or Harwich, and were born from about 1646 to 1672; the children were connected with the Society of Friends in that neighborhood, and undoubtedly attended meeting at Friend's Meeting, established in 2nd month, 1681, at the house of Ivory Jones and John Dillingham, at or near Bound Brook.

William Chase (No. 2, died 1685, and we find all of his children, except John and Elizabeth, in Rhode Island, from 1680 to 1701. Abraham was the last; he sold land in Harwich in 1695, and 1701, he was a member of R. I. Friends' Meeting; they were all named in Rhode Island Monthly Meeting Records, except Jacob. William, Jacob, Joseph and Samuel went to Swansea about 1700, and were there members of the Society of Friends until their death.

" 218. Oliver, b. 11-11 1812, m. Mary E. Allen, 11-25, 1835

"In early life, Oliver Chase, (No. 74) enjoyed few or none of the advantages of birth or circumstances. His father's patrimony was an extremely limited one, and the son's education, as might have been expected, was limited also; especially as the stormy period of the Revolution intervened to still more unsettle the existing state of things. He became from early boyhood inured to toil, and during his whole life was what may emphatically be termed a working man. In the year 1806 Mr. Chase commenced the manufacture of cotton in Swansey, where he became part owner and took the agency of a small mill. From there, in 1818, he removed to Fall River. In that year, in connection with Ebor Slade, Sheffield Weaver, Hezekiah Wilson, Benj. Slade, Amey Borden and others, he erected the Troy Mill, which has been long and successfully employed in spinning and weaving cotton. Fall River, when the foundation of the Troy mill was commenced, contained but one or two hundred inhabitants; now, 1878, its population numbers some forty thousand, with good prospects of still further increase. Mr. Chase was for many years identified with the growth and prosperity of the place, and as agent, first of the Troy Company and subsequently of the Pocasset, was actively engaged in extending the borders of the village.

The Pocasset Company was projected and established in 1821, mainly through his efforts, assisted by Samuel Rodman, Nathaniel B. Borden, Wm. Slade, Clark Chase and others.— For many years subsequent he had charge of this Corporation, whose concerns he managed with his usual foresight and tact. Nearly all who were associated with him in the early part of his operations preceded him to that bourne from which there is no return.

He through life, has been remarkable for the possession of several prominent traits of character; among them, clear and sound judgment, punctuality, industry and integrity. By some he was regarded as rather harsh in his nature; but those who knew him best were ready to bear testimony that, in his case, beneath a somewhat rough and unpolished exterior there lay a warm heart that often throbbed in unison with the best impulses of our nature." He died at Fall River, 1852.
